I am proud to be the newly appointed Head Coach at Vicars Moor Tennis Club and I'm looking forward to working closely with existing and new members to make the club a great place for everyone to spend their free time.

Over the years, I've gained a lot of National & International experience whilst playing tennis myself, as a coach, I will use this knowledge and skill to give everyone the best coaching experience I can. My intention along with the support of my coaching team is to develop the junior coaching program at the club and encourage every junior to be the best they can be.

The club has plenty to offer players of all standards so if you are looking to improve your game or interested to learn more about tennis, give me a call to discuss the various coaching opportunities and what the club has to offer.
