Please let **Paul Rock** know if your child has any particular special needs or suffers from any medical conditions. Food is not generally available for children apart from soft drinks but we do hold the occasional social event which includes catering or B.B.Q. during the year and children are free to bring their own packed lunches during coaching camps. Outside of coaching sessions adult supervision is not available at the Club, but parents / guardians are welcome to accompany the child to junior tennis or junior social events if it is advisable their child has need of individual supervision due to special needs.
